

## MyItinerary Mobile App

You can download the MyItinerary app by searching for **“MyItinerary by ScholarOne”** in the App Store directly from your mobile device. Alternatively, you can access the links below or scan the QR code.

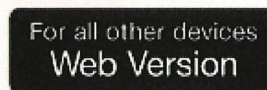

Once the MyItinerary app is downloaded, select the meeting **“SID2024”**

The MyItinerary app allows you to browse sessions and events; view presentation details and add individual presentations or entire sessions to an itinerary. You can also take notes, bookmark, network and view other meeting information. Be sure to create an account so you can view and use all the features.

Manage your schedule  
Download the free app

Scan the QR code or enter the URL in your device browser to download
